We can still serve and cater your party in light rain, just let the staff know where we should move our serving table for it to be covered. We do not provide any coverings or tents. In case of forecasted rain, you can cancel your party 48 hrs in advance with no penalty. We will make every effort to have your party even if it should rain. In the event of a same day cancellation due to weather, we will retain your deposit, and you can reschedule up to one year in advance and your deposit will be applied in full.

- **Do you accommodate vegans, vegetarians and gluten-free guests?**
Yes, we accommodate any dietary restrictions as long as the host notifies us in advance. We can provide up to 5 gluten free pies with no charge. There will be an additional charge of \$5 per gluten free pizza after that.
- **How early do you arrive at the location?** We usually get to your house or venue 45 min to 1 hour before we start serving food.
- **How late can I add additional guests to my party and/or make menu changes?** We need to be notified of the final headcount and menu changes for your party a week prior to the day of your event.
- **What happens if it rains?** We can serve our pizza in light rain, but not in downpour. In case of forecasted rain, you can cancel your party 48 hrs in advance with no penalty. We will make every effort to have your party even if it should rain. In the event of a same day cancellation due to the weather, we will retain your deposit, and you can reschedule up to one year in advance and your deposit will be applied in full.
